

# Bedford Audubon

## BIRD-A-THON 2024

Bedford Audubon Society is gearing up for our spring Bird-A-Thon! This fundraiser will take place from Friday May 3rd through Sunday May 5th. The purpose of this event is to raise money for **Bedford Audubon's environmental conservation and education programs.**

### How does it work?

During any 24-hour period between 12:01am Friday, May 3rd till 3pm on Sunday, May 5th, teams will scour the area to identify as many bird species as possible (see attached rules for details). We expect to identify 100-170 species!

### How can you help?

There are three simple ways to contribute:

1. **Register your own team:** Collect sponsors and Bird your favorite hotspot(s)
2. **Join one of the Bedford Audubon teams** as we bird the best spots in the tri-state. (E-mail [jhannan@bedfordaudubon.org](mailto:jhannan@bedfordaudubon.org) to register).
3. **Donate!** Make a per species pledge or fixed amount contribution to the Bird-A-Thon.

Email Bird-A-Thon Coordinator [jhannan@bedfordaudubon.org](mailto:jhannan@bedfordaudubon.org) with any questions.

\*\*\*\* Tear here and mail your pledge today \*\*\*\*
